April 30th @ 7:00 p.m.

The school year is winding down, however we still have more to accomplish. Please remind your child that we have not yet started summer break. Homework must be turned in if your child wishes to attend our future field trips.

Fourth Graders must read at least 600 pages during each quarter.

All assignments are due at 8:00 a.m. and must be done in cursive. The only exception for cursive is a spelling test. I will be taking off 10% if the assignment is printed.

Don't forget to continue to practice the math facts. Even when we don't do them every day in class, it is important to practice them at home.
