

**Kindergarten Newsletter**  
**March 12, 2010**

**Literacy:**

Another quarter is gone! You should check for report cards on Tuesday. Look it over, sign it and send it back. If you have any questions or concerns about your child's progress, please have us address those at conferences next week. Make sure you call and schedule a new conference time if the one you were given does not work for you.

**Treasure Book:**

Our treasure book this week was Cat In The Hat. The treasure is a small picture of the Cat in the Hat. We did lots of activities surrounding Dr. Seuss this week. We are making a booklet that lets us be creative with our illustrations, but we are also writing and rhyming. Look for that booklet to come home in a couple weeks.

We will take a small break from Dr. Seuss next week since it is short and do a small St. Patrick's Day unit. Remember there is no school Thursday and Friday. We will continue with our Dr. Seuss unit the following week.

**\*\*\* If your child would like to set up a leprechaun trap at school next week, have him/her work on it at home and bring it in Monday. We sometimes have tricky visitors the week before St. Pat's.**

## **Math:**

This week in math we worked on addition and subtraction stories. We also wrote and created addition and subtraction sentences. As always we worked on larger numbers, ordinal numbers and patterning.
