

Kindergarten Newsletter

April 23, 2010

Priority...*pleeease*: We need you to send in a family recipe by WEDNESDAY to be included in our project!!! Thank you!

Thank you to all who attended the Learning Fair on Thursday. The kids as well as us adults enjoyed working on and performing the *Soup Opera* for you. All the kids did a fantastic job.

We would like to thank the PTO for bringing Bill Sanders to talk to us about having a happy healthy school. He had great suggestions about how to handle a bully and why you shouldn't be a bully. We learned that all of us are "thumbbody" special. Ask your child to show you what that means.

Literacy:

We will be working on a BREAD unit next week. Our Treasure book will be The Little Red Hen and we will learn about how we get bread starting from the seed. We will be reading books, writing about it and on Friday we will make a classroom loaf of bread for our snack. Yum! Yum! Please continue to work on the sightword list and have your child read to you every night. We need to keep practicing our Kindergarten skills because there is a short 23 days left of school.

Math:

We will spend the remainder of this year reviewing the skills we have learned. We will be playing games to reinforce these skills. We will be introducing time to the hour and sharpen our number knowledge. Please continue to help your child at home to cement their number knowledge.

Miscellaneous:

As the weather warms we are seeing more sandals and flip flop being worn to school. The kids are having outside P.E. on the nice days, so if your child is wearing shoes that show the toes please send in an extra pair of socks and tennis shoes to be worn outside. They shouldn't wear their inside shoes outside to play. Thank you!!

Looking Ahead

May 3: Kindergarten Farm Field Trip (see handout)

May 11: PTO mtg @ 7 pm in Library

May 13: All school field trip to the Madison Zoo

May 25: Track and Field Day

May 26: LAST DAY & Award assembly @ 8:10

Have a good weekend!
Mrs. Kelzer, Miss Redfearn, Mrs. Wurster
