Reading

Next week will be a short week. We will not start a new story. Instead, we will work on reading activities and finish the shark reports that were started this week.

Math

This week we worked on guessing rules when choosing attribute blocks.

We also defined lines and line segments. Then we named line segments by labeling the endpoints.

Students found many parallel lines in the classroom and learned how to draw lines that are parallel.

Spelling

Next week students will have a short week. They will take a Unit 2 test over the last 5 stories. They need to study all 50 words on the list I am sending home today.

The following students already earned 100% on the pre-test. They challenged themselves with the following words:

Kathryn - cartilage

Riley - Hawkeyes

Arthur - Michael Jackson

C.J. - vision

Madeline - Macavity

Students brainstormed about being thankful. Then they wrote on paper turkeys :

friends Mayflower family
Mom & Dad brothers & sisters
Pilgrims Broadway musicals
Pilgrims doctors Indians
veterans life Lord turkey
people me God teachers
Mrs. Misek Statue of Liberty
Zeus freedom dogs & cats
Heaven George Washington
Jesus
