## Reading

Next week, we will be reading "Fernando's Gift", by Douglas Keister who is also a photographer. Fernando is a boy who lives in a rainforest.

Please help your child read and understand the vocabulary words:  
diving explained harm  
noisy soil village

## Math

This week students played Basketball Addition as they rolled dice and added several numbers to make a score board.

Wubbles are friends that double at night and halve when you wink. Students used calculators to multiple by 2 when they doubled, and divide by 2 when they halved.

Our 100th Day of School was Friday. We did all sorts of 100 activities. Thanks for sending in 100 things glued onto paper.

Star Student

Dylan Landwer

His favorites subjects are P.E., Science, Math, Soc. Stud., & Recess. His goals for the future are to become a police officer & do carpentry. Making a fire is one of his talents. Running fast is another.

Dylan's display includes lots of super balls and baseball cards, a baseball medal, miniature animals, cars, and a miniature of the St. Louis Arch.

His parents brought his beagle dog, KD, to school. They also read a book, gave us super balls, and fed us star-shaped choc. chip cookies !
