Reading

Next week, we will be testing for ITBS during our Reading time. We will not be starting a new story, but we may have time for some extra reading activities

We will not have any new vocabulary words next week.

Math

This week we have written all of our addition facts and most of our subtraction facts on a study sheet.

Equivalent fractions were cut and glued on top of other fractions. Collections of pennies were sorted into equal groups to find fractions.

Fraction cards were compared to find fractions that were more than $1/2$, less than $1/2$, and equal to $1/2$.

Spelling

Next week, students will not have a new spelling list because they will be taking ITBS tests.

ITBS Testing

Please remember to make sure your child gets a good rest and a good breakfast every day next week. Also, try to give your child's self-confidence a boost with encouraging words.

Poster Contest

Please use the practice sheet included in the Friday Folder to help your child choose a title and draw a picture for the theme "Conservation Habits = Healthy Habits".

This is sponsored by Jo Daviess SWCD (Soil & Water Conservation District). Every participant will receive a Norway Spruce seedling!

We will make the posters at school next week.

Jump Start

The following student was honored for being a Kid of Character:

Ray - Always do your Best !

Petting Zoo

We want to thank Ed Curry and the HS students in FFA for inviting all the classes to come to their fantastic Petting Zoo !
