## Reading

Next week we will be reading "Our Soccer League" by photographer Chuck Solomon. It is about a real soccer game between the Falcons and the Sluggers.

Please help your child to read and understand the vocabulary words:

coaches    field    score  
stretches    throws    touch

## Spelling

Next week our final test will be on Wednesday. The words will have blends bl, br, dr, pl, and tr.

## Math

This week we measured area with square feet on the floor tiles, and square inches and centimeters on grid paper. We measured volume by pouring corn into cylinders. Perimeter was measured as the distance around something, like a fence around a field.

Did you notice a giant letter G in the Friday Folder? It shows 4 quarts, 8 pints, and 16 cups inside a gallon.

## State Reports

Your child has chosen a state for a report. I am sending home a folder with lots of information about the report. Also, I am sending poster board. The posters will be on display in the hallway when you come in for the Learning Fair.

Please help your child to complete the report by April 9. It is a lot of work, but it is also a chance to learn and work together. Enjoy.

Star Student  
Sara Miller

Her favorite thing about school is Art. She does have talent as an artist! Her goal for the future is to learn to read better. She is proud of herself for sharing with her sisters.

Sara's display includes several beautiful shells from Florida, baby photos, and photos of Sara and her family by the Christmas Tree, swimming, at the Pumpkin Patch, at the park, in the garden, in the fall leaves, and in her Easter Bonnet. What a great family, with Mom, & Dad, & 4 sisters.
