Reminders

- I forgot to put in my presentation that I like to have the students have 200 pages read by midterm. This is so they don't have 400 pages to read the last week. The midterm for the first quarter is Sept. 16. The students may start turning in book reports at any time.
- We had a great first three days. We've already had a fire drill, tornado drill and intruder drill. We filled our desks with books and have gotten to know each other a little better.
- I also forgot to mention that we will do Social studies for the first half of the quarter and then Science. So... There will not be a science grade on the midterm.
