### Academic News

#### Reading

We will be reading "Web Wonders." Our reading strategy is compare and contrast. . It is the end of the unit so we will be doing some testing.

#### Spelling

See the spelling list section to the right. Posttest on Friday.

#### Language

We will be working

on writing letters.

This will lead us into writing letters to service personnel in our families. If you haven't sent in an address you can still do that.

#### Math

We have started Unit 4 on multiplication and division. We will learn the basic concepts and about arrays. It is never to early to

start with facts. All numbers times 0 are 0 and all numbers times 1 are that number.

#### Social Studies

This week we spent some time learning about the pilgrims and the first Thanksgiving. We also learned about Spanish explorers and missions.

### Spelling Words

The students will be given the list on Monday. There will be a posttest on Friday. The list will contain words that we struggle with and maybe a Thanksgiving word or two.
