## Academic News

### Reading

We will be practicing our play, and working on some gifts projects. Three fourth graders are going to read their favorite Christmas stories to us and help us make stockings.

### Spelling

No list this week!

### Language

If time allows we may write about how to un-

wrap a present! We may need this soon!

### Math

We are going to do a survey about favorite Christmas Carols. We will tally, make a chart and a graph. We would like the children to ask at least 10 people over the weekend so we can graph our results. The sheet with directions is in the Friday folder.

### Science

We talked about heat and thermal energy this week. We learned ways to make thermal energy. You may need to use some of these to stay warm this weekend.

Tuesday we will have a small going away party for Madyson. We will really miss her! Maybe she can become our penpal!
