Academic News

Reading

Next week we will be reading about "J.J.'s Big Day." It is another story about a whale. Our reading strategy is cause and effect. We will also be taking the end of unit test.

Spelling

The spelling list is words from science. Pretest on Tuesday and Posttest on Friday!

Language

We are going to write a research paper about a kind of whale. We may also find time to write to Cameron Stoewer, our pen pal in Iraq.

Math

We will be moving on to Unit 7, Multiplication and Division. We start off looking at all the patterns in multiplication.

Social Studies

We will be watching the Olympics closely. We will be learning about the different winter sports at the Olympics and some of the athletes that participate.
