Academic News

Reading

We are going to continue with Lon Po Po activities. We will make a kite, read and listen to "Peter and the Wolf", and read "Little Red Riding Hood" and compare it to Lon Po Po.

Spelling

The spelling list has disappeared. We would like to make

sure students are rested and ready for the ISAT so they don't have to study spelling words.

Language

We will be doing some review and doing a reader's theater on "Lon Po Po".

Math

We will continue with a couple of normal days of math on Mon-

day and Tuesday. Then we will be either testing or practicing our facts.

Social Studies

The Olympics end this weekend. Try to catch the closing ceremonies.

Science

Next week we will start learning some things about the water cycle.
