Academic News

Reading

"The Bat Boy and His Violin" is the story for this week. We start a new unit, "Turning Points." The reading strategy is making inferences.

Spelling

The spelling list is words with (upside down e and r) and (upside down e and l) sounds. Pretest Monday and Posttest Fri-

day.

Language

This week is the last of the pronouns with pronoun contractions.

Math

This week we will be learning the algorithm, partial products. I will send home directions and they are in the Student Reference Book. Now that we are mov-

ing on to more complex multiplication problems the facts are even more important.

Social Studies

We finished chapter 5 and will be moving on to chapter 6, People from Many Places. We will be learning about diversity, immigrants, ancestors, and generations.
